E. Equipment and Uniforms:

1. Once equipment and uniforms have been distributed, they become the sole responsibility of the player, his or her parents and/or guardians. Only protective equipment (helmet, shoulder pads) issued by the Association may be worn during any practice, game or scrimmage. Washing instructions for the game uniforms will be distributed when uniforms are handed out. Failure to follow manufacturer's directions for proper laundering of the game uniforms will decrease the lifespan of the uniforms. Any loss and/or damage to said equipment will result in a monetary fine to the player, parents and/or guardians to cover costs for repair and/or replacement.
2. Equipment is only to be worn for practices, scrimmages, and games of the Mount Olive Junior Marauders Football Association. Game jerseys may be worn to school on Fridays, prior to regular scheduled season Junior Marauder football games, at all High School football games, and at any other sponsored Association event.
3. All uniforms and equipment are to be returned in good, clean condition on the designated day(s). If equipment is not returned on the designated days, and no other arrangements have been made, the Treasurer will issue a bill to the family. Acceptance of said equipment is an agreement with the above.
4. All players are responsible for purchasing non detachable plastic molded football cleats, athletic cup and supporter, mouthpieces, practice pants, and any other equipment deemed necessary to properly and safely participate in organized football. No metal chin strap clips are allowed to be used. Any player attempting to participate in a play while improperly dressed, according to these rules of play as well as to those rules established by the MCYFL will result in that player being deemed ineligible to play.
5. Any supplemental equipment wanting to be worn and purchased by a member must get the approval of the Director of Equipment.

F. Hardships: Any requests for special considerations, i.e., waiver of registration fee, reduction in registration fee, should be brought to the attention of the President and/or Treasurer. The President and Treasurer will review the hardship candidate's request and review each case on an individual basis based on its merits.

G. Injured Players: The head coach is responsible for submitting an injury report to the coaching coordinator for any injury to a player during Association or MCYFL event within 48 hours.

MOUNT OLIVE JUNIOR MARAUDERS FOOTBALL ASSOCIATION CONSTITUTION & BY-LAWS

should be used when an injury happens and follow up care may be required.

2. The Non First aid incident report should be used for any incident you feel needs to be documented. If you are not sure if an injury requires reporting, you should confirm it with the coaching coordinator.
 3. Any child with a repetitive injury will need to have a doctor's note for clearance to return to practice/games.
 4. Any injured player who is physically able should continue to attend practices, scrimmages and games as a spectator to show his or her continued interest in the team.
 5. Any player not playing because of a serious illness or injury may not resume play until the player has submitted a doctor's note, clearing them to play. If no attempt is made to submit a medical clearance, that player shall not be eligible to participate and/or receive any awards that the team may win.

- H. Insurance: Any injuries requiring medical attention, or any form of hospitalization must be claimed on the parent's medical insurance policy. Any amount not covered can be submitted to the Township of Mount Olive Recreation Department. The Mount Olive Township Sports Accident Policy may change over time, but there are critical things to consider if a potential claim exists:
- I. There may be a significant deductible, the policy is a supplemental and secondary policy, injuries must be reported to the Mount Olive Township Recreation Department within seventy- two (72) hours of the occurrence, a claim must also be submitted to the town's insurance company within a reasonable period. Proper procedures on how to file the claim, the time frame allotted, and the deductible information can be obtained by contacting the Recreation department. The Parent/Guardian is responsible for any medical expenses not covered by the insurance companies.
- J. Parental/Guardian Complaints: All Parent/Guardian are also inclusive of any spectator associated with such player.
1. Parents/Guardian are encouraged to discuss any outstanding issues or matters with their team Head Coach, as it relates to their child. This will not be done during a practice, scrimmage or game. Under no circumstances should a parent walk out onto the playing field to discuss a problem during a practice, scrimmage, or game. Outstanding issues or matters with the coach should be discussed after practice, scrimmage or game so as not to cause a distraction to the team. Parents/Guardian must wait twenty-four (24) hours before contacting a coach regarding any game related issues. Parents are expected to behave consistent with the terms outlined in the Parent Code of Conduct.
 2. Parents/Guardian can choose to forward any complaint directly to the Player Agent, or

MOUNT OLIVE JUNIOR MARAUDERS FOOTBALL ASSOCIATION

CONSTITUTION & BY-LAWS

Coaching Coordinator. However, an attempt should first be made to resolve any and all outstanding issues with the Head Coach prior to escalating to the Player Agent or Coaching Coordinator. All complaints addressed to the Player Agent or Coaching Coordinator must be submitted in writing, in order to validate its legitimacy.

3. ALL complaints must be filed with in writing to The Player Agent or Coaching Coordinator (only where required), within 48 hours of the incident upon receipt of the complaint, may:

 5. The Association will institute a (1) strike policy for all infractions associated with Parent/Guardian/Spectator conduct.
 - (a) All infractions will result in immediate removal of the participant & parent for the balance of the season.
 6. If the parent/guardian has a child in the program on a different team, they are prohibited from attending any events associated with that team immediately following the infraction.
- K. Practices: Practices will be held a maximum of five (5) times a week, including scrimmages and games, until school starts. After school starts, there will be a maximum of four (4) practice sessions per week, one (1) of which must be a "non-contact" session as outlined in the MCYFL by-laws. Players are expected to arrive at practice on time and should be picked up on time after practice. During the school year, practices should end no later than 8:00 PM.
- L. Registration and Fees: The Board of Directors will determine the yearly registration fees by January of each year, where possible, and will establish any discount for early registration along with regular registration fees. The Association reserves the right to limit registration totals and to declare a registration cut-off based on factors such as but not limited to, inventory of equipment, number of declared teams, availability of coaches, and available money in the treasury. Once registration is closed, it may be re-opened at the discretion of the Board.
- M. Refund Policy: The Board of Directors may refund the cost of registration in whole or in part based on the following schedule. No refund will be issued until all issued equipment has been returned and confirmed as such by the Director of Equipment and the Head Coach of the player's level.

MOUNT OLIVE JUNIOR MARAUDERS FOOTBALL ASSOCIATION CONSTITUTION & BY-LAWS

of the registration fees paid. The Board of Directors may also refund 100% of the registration fee to any player that receives equipment but never shows up to play, or uses the equipment through August 31.

2. Any player who leaves the program between August 1 and August 14 may be eligible for a full refund of their registration fees, minus a \$45.00 helmet recondition and pant replacement fee.
3. Any player who leaves the program between August 15 and August 31, may be eligible for a 50% refund of the registration fee paid.
4. Any player who leaves the program on September 1 or later will receive no refund of their registration fees.

N. Season Ending Banquets: The Association will not fund any banquet or post-season party for any team in part or in total with the exception of the Varsity Team. The Association may fund a Varsity only banquet or similar. The Association may pay up to and not to exceed \$2500.00 for part or entire cost of a Varsity Banquet (dinner, luncheon, or any other appropriate celebration), with the assumption that there are volunteers who are willing to organize and to coordinate the details of such an event. The Team parent must work through The Director of Fundraising in order to communicate with the Board of Directors.

O. Stranding Philosophy: The Association advises parents to stay at all events sponsored by the Association. The Association will do everything in its power to end the event at the scheduled time. It is imperative that all participants are picked up at the pre-arranged time and location so as to not create a stranded child situation. Cases of stranded children will be documented by the Association and adults that consistently strand their children will be handled on a case-by-case basis at the discretion of the Board of Directors. Penalties may include the removal of the child from the program. A coach or proxy must stay with all children until they are picked up by an approved parent/guardian or designee.

P. Team Assignments: Players will be placed on a team, according to age, weight, initial assignments are tentative, and players may be moved from one team to another, at any time, at the discretion of the Board of Directors, the Registration Committee, and the coaching staff involved, within the limitations of the Morris County Youth Football League. All moves regarding weight shall be made by the third Monday of the August practice. All player moves will officially be made through the Board of Directors.

5.4 Minimum Age Requirements: The child must turn 8 before August 1 or be entering third grade to play contact football.

5.5 Team Placement Appeal Process: Parents/Guardians can appeal team placement by placing the request in writing to the Head Coach, who must notify the Coaching Coordinator, also in writing. The Coaching Coordinator will make a request to the Board of Directors for a decision. The Board of Directors will act

MOUNT OLIVE JUNIOR MARAUDERS FOOTBALL ASSOCIATION CONSTITUTION & BY-LAWS

on the request within one (1) week from the date of receipt by the Association Secretary. A minimum two-thirds (2/3) majority of the Board is required for approval. All appeal decisions must be consistent with the By-Laws of the Morris County Youth Football League, if applicable.

5.6 Central Conference:

A. The Central Conference is part of the MCYFL and provides an additional opportunity for players to gain more game experience. The intent and rules as governed by the MCYFL provide this opportunity for additional playing time to individuals that are given limited opportunities during weekend games. The Central Conference is available to all levels. Participation in the Central Conference is not mandatory and may not be feasible, but the Association encourages participation when it is warranted. The Board of Directors will decide each year as to whether or not each of the level divisions within the Association will participate in the Central Conference. The Board of Directors will make this determination by working in cooperation with the Coaching Coordinator and with the specific Head Coach of each level.

B. Philosophy and Goals of the Central Conference:

1. The Central Conference is a developmental division of the Morris County Youth Football League that is intended to give significant playing time to those players who are not getting significant playing time in our regular games. This division is the place where these players can develop their skills in game conditions and experience football by playing against teams of similar skills, talent levels, and/or experience. Coaches are still encouraged to give playing time to Central Conference players in regular season games.
2. The goals of the Central Conference are to develop more players in the league, to get more playing time for more players, and to equalize the playing field as much as possible for new players or for players that need additional time and experience to develop the skills necessary to play at the appropriate level.
3. Games may most likely be played on Monday night, or on dates scheduled by the MCYFL, based on field and lighting availability. Parents are encouraged to plan accordingly so as not to interfere with schoolwork and/or other family commitments. Previously established game rules and standards of eligibility will apply. The number of players that each team must declare as inactive, or ineligible will be regulated by the MCYFL.
4. Each Head Coach will determine player eligibility and team rules to include but will not be limited to which players play. Decisions on player positioning and playing time will be made by the Head Coach and should be reviewed with the team in advance.
5. Eligible Central Conference players are permitted to play up one level in Central Conference games. For example: a Clinic player can play Super Pee Wee Central Conference, a Super Pee Wee player can play Pee Wee Central Conference, a Pee Wee player can play JV Central

MOUNT OLIVE JUNIOR MARAUDERS FOOTBALL ASSOCIATION CONSTITUTION & BY-LAWS

Conference, and a JV player can play in the Varsity Central Conference game.

6. Central Conference games will count as practice during the week.

5.7 Standing Committees:

- A. Standing committees are defined as those committees which must be established for each calendar year, for a term of twelve (12) months.
- B. Each standing committee will consist of a chairperson, who is appointed by the Board of Directors, plus volunteers selected by that chairman who are eligible to vote as of the date of appointment.
- C. All standing committee chairpersons shall be appointed by the Board of Directors no later than the March Association meeting each calendar year. If no new appointment is made, the current chairperson will remain in their position in a hold-over capacity for the remainder of the calendar year.
- D. As needed, additional Committees may be added by a majority vote of the Board of Directors. The Board of Directors may appoint a committee chairperson, who in turn may select volunteer members of that committee.
- E. Standing committees may include:
 1. By-Laws/Rules Committee: Responsible for, but not limited to or liable for, any proposals, amendment revisions or questions regarding the validity of rules governing the Mount Olive Junior Marauders Football Association, as mentioned in the by-laws.
 2. Concessions Committee: Responsible for, but not limited to, or liable for maintenance of concessions facilities; scheduling volunteers to run concessions during all home games, and special events (i.e. pep rally). The chairperson has the responsibility to keep control of inventory, food and beverage supplies, and monthly income reports. The Chair will work directly with the Director of Operations (or the Vice President if there is no Director of Operations) in order to keep the entire Board of Directors aware of the status of the committee.
 3. Equipment Committee: Responsible for, but not limited to, or liable for, proper maintenance to playing equipment; properly fitting players throughout the season; maintaining inventory on all equipment and field supplies purchased by the Mount Olive Junior Marauders Football Association. Responsible for the distribution and collection of all equipment necessary to safely and properly play football for the Association.
 4. Fields Committee: Responsible for, but not limited to, or liable for the proper field maintenance required to play. This includes the lining of the field as well as the removal and the installation of the goal posts, if necessary. This committee will be responsible for making

sure that the player scale(s) are both calibrated on an annual basis (as per the MCYFL). The committee will also be accountable for the delegation and supervision of the set-up and breakdown of our home facility, on game days. Appropriate coverage for the operation of the scoreboard and PA system is also a primary responsibility of this committee and falls under the category of game day procedures.

5. Fundraising Committee: Responsible for, but not limited to, or liable for coordination and scheduling of all fundraising drives, sponsored by the Mount Olive Junior Marauders Football Association.
6. Head Coach Nominating Committee: Members of this committee will be appointed by the Coaching Coordinator and approved by the Board of Directors. This committee will review applications/resumes for any Head Coaching positions, as outlined in [Article 6.3](#). This committee should begin the process by the February meeting and have a recommendation to the Board of Directors by the April meeting each year. The Committee will consist of an odd number of members. Committee members may not be Association Board members or candidates for any Head Coaching position.
7. Nominating Committee: Responsible for collecting nominations for all upcoming vacancies on the Board of Directors each year, as outlined in [Article 4.11](#). The Committee shall announce all nominees at the November and December Association meeting, at which point all voting members shall elect the following year's officers.

ARTICLE 6

Coaches

- 6.1 Any Member of the Association that expresses interest in a Head Coach position cannot be denied an opportunity to apply and will be considered.
- 6.2 Candidates for Head Coach must submit their qualifications, in writing, to the Coaching Coordinator by the March Association meeting.
A Head Coach vacancy may be opened directly after the March meeting by the Coaching Coordinator or Board of Directors to non-Members of the Association if no Member of the Association has stepped up as a candidate by the March meeting to fill an open Head Coaching position. Article 3.6 will still apply, and Article 6.1 is waived so that a head coach may be selected under these conditions.
- 6.3 The Coaching Coordinator, along with the Head Coach Nominating Committee (as described in [Article 5.7.E.6](#)), will review all candidate applications. They will then recommend the selection of the Head Coach, pending approval by the Board of Directors by the April Association meeting. Initially one Head Coach will be appointed for each team including Flag, Pre-Clinic, Clinic, Super Pee Wee, Pee Wee, Junior Varsity and Varsity. In the event that any Instructional Level program (Pre-Clinic, Clinic and Super Pee Wee) has enough player registrations to warrant two or more teams, the Coaching Coordinator, along with the Head Coach Nominating Committee will determine the selection of additional Head Coaches to that team (ex. Pre-Clinic Red, Pre-Clinic Gold, etc.) pending approval by the Board of Directors. The Flag Program will have one coordinator, regardless of the number of teams that are formed. Each Flag Head Coach will be appointed by the Flag Coordinator with approval of the Coaching Coordinator and Board of Directors. Additionally, the division of players that make up each roster will be made by Head Coaches of each team on that specific level (ex. Pre-Clinic Red, Pre-Clinic Gold whereby Head Coaches will work together to make two separate Pre-Clinic Teams). This "Draft" process, and the eventual rosters created by this process, must be approved by the Coaching Coordinator, and approved by the Board of Directors.
- 6.4 If a Head Coach resigns prior to the end of the current football season, or cannot fulfill his duties, the replacement of that Head Coach shall be made by the Coaching Coordinator, on an interim basis. The individual appointed will carry out the duties of the Head Coach, for the duration of the season.

MOUNT OLIVE JUNIOR MARAUDERS FOOTBALL ASSOCIATION CONSTITUTION & BY-LAWS

- 6.5 Head Coaches will select their own Assistant Coaches, subject to the approval of the Board of Directors and in accordance with these by-laws. The names of the Assistant Coaches of the Varsity, Jr. Varsity, Pee Wee, Super Pee Wee, Clinic, and Pre-Clinic, and Flag levels should be submitted to the Coaching Coordinator, by the June Association meeting. Additions made at a later date are also subject to review by the Coaching Coordinator and Board of Directors. All coaches, head and assistant, must be certified through the National Youth Sports Coaches Association, or possess an equivalent certification that is accepted by the Township of Mount Olive as well as by the Association. All Assistant Coaches must ultimately be approved by the Board of Directors.
- 6.6 Any member of the Association may challenge the appointment of an Assistant Coach with a specific complaint. The President will instruct the member to submit his complaint in writing, within seventy-two (72) hours. The complaint will then be presented to the Board of Directors. A decision should be made within seventy-two (72) hours of receipt of said complaint, by the Board of Directors.
- 6.7 All coaches must attend a minimum of three (3) board meetings and 2 (two) coaches developmental or league related meetings. (All coaches are urged to make one of those meetings the Association sponsored training.
- 6.8 Any coach who receives a bench foul resulting in a financial debt to the Association will be banned from coaching and/or attending any and all Association events, including team gathering, until such time as the debt is paid by the offending coach as determined by the MCYFL. Similarly, any coach who maintains an unpaid debt with the Association for a period of 30 days or longer past due (i.e. for non-payment of merchandise) will also lose all coaching privileges as mentioned above. During this period of suspension, the said coach must surrender his sideline pass to the Coaching Coordinator.

ARTICLE 7

Removal of Coaches

- 7.1 The Head Coach of each team shall have the right to recommend the dismissal of an Assistant Coach from his team, subject to review by and approval by the Coaching Coordinator and approved by the Board of Directors.
- 7.2 All other requests for the dismissal of an Assistant Coach must be submitted to the Head Coach of that team, in writing and signed by the complainant. The Head Coach will then evaluate such a request and forward it to the Board of Directors and Player Agent (when the Player Agent is not a member of the Board of Directors). The recommendation of action to be taken will be made by a majority of the Board of Directors and the decision of the Board will be final.
- 7.3 Removal of a coach may be accomplished by the either of the following sequence of events:
 - A. A formal complaint must be submitted in writing and signed by the complainant. Said formal complaint must be addressed to the Board of Directors. Said formal complaint must be reviewed within forty-eight (48) hours, excluding weekends and holidays, either at the next Association meeting, or at a special meeting of the Association, to be called by the President; or
 - B. The Coaching Coordinator may, at his discretion, recommend the discipline of a coach, based on the failure of that individual to conform to the philosophies established by the Coaching Coordinator and agreed to by a majority of the Board of Directors. Discipline may include warning, suspension, or removal of said coach as determined by the Board of Directors. The said coach will have the opportunity to be heard at an in-person hearing prior to any decision by the Board of Directors. The decision of the Board of Directors is final.

Supervision

- 8.1 The Association is committed to providing a safe environment and to prevent child abuse and sexual misconduct. The Association will make every reasonable effort to exclude any adult with a legally documented history of child abuse/molestation or any other conviction or record that would bring unnecessary risk to the health and safety of the participants of this organization. Therefore, every coach in the organization must complete a "Coaches Background Check". Additionally, the Association will take appropriate action on all allegations of child abuse and/or sexual misconduct. All allegations will be reported immediately to the authorities for investigation and the Association will cooperate fully with any such investigation. The following represent the preventative measures of the Association regarding abuse:
- A. Physical, mental, and verbal abuse towards any of the participants, coaches, or volunteers involved in an Association activity is not permitted.
 - B. Inappropriate touching of any kind is forbidden.
 - C. The Association will provide more than one (1) adult working at or overseeing every activity. If a child needs special attention, one-on-one training or individual instruction for example, it will be handled with the assistance or presence of another adult, as specified in these by-laws.
 - D. Coaches should never ride alone with the child or participant in the car.
 - E. Parents/Guardians must attend sponsored activities.
- 8.2 Supervision: During all events, scheduled or unscheduled, there must be at least two (2) Association approved certified coaches and/or adults per team always present. Failure to provide at least two (2) Association approved certified coaches and/or adults per team will result in an automatic end to that event until such time as the proper supervision arrives. An event will be defined as, but not limited to, team practice, special technique sessions, film meetings, team parties, or any event that requires a coach to be with the team. Failure to abide by this policy may result in the suspension of all offending coaches, to be determined by the Board of Directors.
